

Decisions, Decisions

Ecclesiastes 8:1-8

Decisions are the hardest moves to make, especially when it's a choice between what you want and what is right.

Rebel or Regard?

Should I obey?

Will God honor my rebellion?

Am I willing to accept responsibility?

(Romans 13:4 and Genesis 50:20 also referenced)

Retreat or Remain?

Is it about principle or preference?

Immaturity or integrity?

Resist or Respect?

What is my motivation?

Is it God-honoring?

Am I willing to pay the price?

Recognition or Refusal?

There is a plan

There is a process

There must be patience

There will be protection
