

I Will Be Careful!

Joshua 22:1-9

Careful to Obey

Surrender to His Lordship

His person- Deity

His plans- Sovereignty

His purpose- Glory

Submission to Obey

Human government- parents

Civil government- authorities

Church government- pastors

Careful to Remain Faithful

In obligation- what is expected

In care- what is needed

In rest- what is experienced

In love- what is commanded

Careful to be Blessed

In promises kept

In pledges fulfilled

In obligations met

With peace experienced

With possession realized
