A Thankful Life Will Praise With

The Words of Our Mouth

\*Praise Him before our families

\*Praise Him before our friends

\*Praise Him before our foes

A Thankful Life Will Praise With

The Work of Our Hands

\*For those who love us and those who don't

\*For those who are grateful and those who aren't

\*For the least of these and those with plenty

\*For the saved and especially for the lost
