

Offended

Offended in Our Doubting Faith

John 6.25-31

What can I do?

Works will not get it done

Our expectations will not get it done

Our heritage cannot get it done

Only the act of believing in and on Jesus the Christ will do

How can this be?

vs. 41-42

He is just a man

He's not even important

Not right now- vs. 29

He is not capable- vs. 52

How can we understand this?

vs. 60-66

Hear His words

Follow the Spirit

Believe in faith that Jesus is the way. The only way!

Thankful to the Father
