

**A Look at “The Church”**  
**The Powerful Potential of the Church**  
**The Acts of the Apostles Chapter 3**

**“We must act with the knowledge we have”**

We do not know what the future holds  
We do not have all the answers  
We do not have all the details  
We do not know the obstacles and challenges  
We do not know who will be here and who will not  
So, do we simply do nothing or do we act?

**“We must act with the knowledge we have”**

Focus of authentic worship  
Fervent in prayer  
Faithful in ministry

**We must keep the main thing the main thing**

People need help-People need hope  
We are neither  
The world and things are not the answer  
People need Jesus!

**We must proclaim The Gospel with clarity**

Jesus is the Son of God  
All are guilty and the only way is forgiveness through Jesus Christ  
Repent and believe
